The Hudson River Community Credit Union (HRCCU) Annual College Scholarship Contest began in 1994 and the Making Life Better Community Service Scholarship began in 2009 to promote, foster and reward the educational endeavors and community service work of the credit union's young members while remaining in concert with HRCCU's mission and vision and the credit union movement's philosophy of people helping people.

II. Responsibility

The CEO is responsible to ensure compliance with this policy. The Vice President of Finance is ultimately responsible for the administration of this policy, establishing and following the procedures listed herein.

III. Contest Duration

Applicants have two months to complete both scholarship contest applications. Applications are available **each year on February 1st** via area high school guidance offices, online at www.hrccu.org and at all HRCCU branches. **Scholarship deadline is slated on or about April 30th.** Winners are announced soon thereafter.

IV. Eligibility Requirements

Scholarships are open to HRCCU youth members in good-standing, including children of the Board of Directors, Supervisory Committee and credit union employees, who are high school seniors planning to attend an accredited college or university for the first time in the following Fall.

V. Judging

A. Annual College Scholarship Contest

Applicants are judged on their academic performance, extracurricular and community activities, honors and awards, employment experience, length of HRCCU membership and an essay question. The scholarships are graded by designated staff in the credit union's sales, marketing department. However, because the essay portion of the contest is subjective in nature, an outside consultant is hired to grade the essay portion of the application. To avoid any risk of prejudice/favoritism, essays submitted to the consultant are anonymous.
